

Scorched Earth

broken hearts from a war zone

em D em D Em  
Where have all the bombers gone, and the governments who financed this war

em D em  
Where has all civilization gone

C G em c g em  
When you're Down and out on the side of the road, smoked or raw

Em D em D em  
Where have all the war mongers gone for what reason did they rain down those bombs

C G C G  
Well they came out, tried to resolve, went out and took a big fall

em D em  
Why hasn't a resolution evolved

C G C G  
There was an Ice Age, there was an ocean rise, wars, destruction, civilization gone

am C am C G  
The countries and their bombs, their finances, build them bigger all the time

em D em D em  
I fell in love with a dancer once, part of an exciting thespian bunch

C G em  
Looking back, from the side of the road, she's better off alone

am C G/// am C G  
Hid behind their computers in the cool AC, pitiful dogs burnt this whole thing down, now its gone

Em D em//// D//// C G C G C G C G  
I push a cart down the side of the road all destitute, I've been wronged
