

In The War Zone

broken hearts from a war zone

am C G am C G

am C G F G
I woke up this morning about half past 4, and I went, to the war zone

am C G F G
Go out to the fields, shoot all them, the waiting and pacing with all the men

G am C F G
First we had cannons, then missiles, and turrets and all the nukes

F G F G

am C F G
I don't know what the hell I'm doing here it's just my faith in the guy who sent me over here

F G F G
They are killing fields no different than the Civil war or the holocaust

am C cmaj/g
And there is some prayer in the churches and synagogues

Cmaj F G F G
We're ready to launch, to kill, taking on so much fire from far away

G (slowly)
What am I gonna do

am C F G
Well you got your degree you tried to use it you fought with the French cuz you believed in it

am C F G
the south pacific and Atlantic too, just one screwed up fighting zoo

C G am G FG
(slow) See the blood, see the death, see the end of it all , (pause) in the war zone

F G F G F G F G
I wish all this chaos would end, the egos and the governments

Slowly am C F G am C F G
