goodbye goodnight I won't settle down, I found some love hanging around

C G  
found the star of my soul and you're not around

C eo am F  
Get some rest nocturnal owl, you're long gone and sleeping sound

C G  
You know I've had my fill of it all

C eo am F  
I settled onto the ground sailed and thought you'd be around

C G  
chased my tail in the dark where bats abound

C eo am F  
goodbye goodnight I won't settle down I found some love hanging around

C G  
found the star of my soul and you're not around

C eo am F  
The moonlight and crescent night, I had an appetite

C G  
I'll find my type just cruising around

C eo am F  
you saw my life through naked eye you drafted on wings and lingered about

C eo am F  
goodbye goodnight I won't settle down I found some love hanging around

C G  
found the star of my soul and you're not around
