G C em G C em am  
If I knew your sign would you recall your sympathy for my soul was in the cards

G C em G C em am  
magnetic attraction deep feelings in the dark Pacific seas and Gods from afar

G C em G C em am  
Nighttime skies did enthrall your eyes of green were a pleasant draw

G C em G C em am  
In the black of the night it did appear a sense of knowing what not to fear

F G am F G am em  
And not knowing who we are gazing at night skies we drank under old stars

F G am F G am  
Feel so blessed even after stress kindred souls from the wild west

G C em G C em am  
When the Capricorn did appear I can't say it was time to have a beer

G C em G C em am  
In the looming morning a foggy dawn I had a spaceship of love in my heart

G C em G C em am  
I looked and tried to count the stars brightness zapped me gave me a start

F G am F G am em  
And not knowing who we are gazing at night skies we drank under old stars

F G am F G am  
You feel blessed even after stress kindred souls from the wild west
