em C G em C G

em C G em C G D
I sent a train car of love to you I sent a cargo ship of flowers to be true

C em C em am D7
I hope my love can bend an arc to you real soon

em C G em C G D
Your Peace & Joy no longer blue your mystery is always in full bloom

C em C em am D7
And other forks in the road to figure out too

G C G C
On the low side of tides I miss you all the time

em C G am em am em D
look into the sky I want you to be mine when it's time to love again

em C G em C G D
A thunder rumbled our hearts too soon a stormy sea and nothing I could do

C em C em am D7
Pain and dark skies not meant for me and you

em C G em C G D
You bared my soul to include a rhythm in life we'd prosper too

C em C em am D7
I'd cross the desert and go all night with you

G C G C
On the low side of tides I miss you all the time

em C G am em am em D
look into the sky I want you to be mine when it's time to love again

em C G x3 Note: 3 Second pause between each. C G C G am C G
